Disclaimer : All makes, models, product codes, part numbers, and IMO numbers mentioned are provided solely for descriptive and reference purposes. Their inclusion does not imply origin from or official association with the corresponding manufacturers.

Elektromec does not represent or claim affiliation with any of the listed manufacturers.

📍 Head Office: UAE | Global Hubs: Singapore • Greece • Turkey • India

Powering Marine Reliability Across the Globe.

Marine Engines

Main Engines | Auxiliary Engines | High-Speed Engines Spares

When it comes to powering vessels, **reliability begins with the right spares.**

At Elektromec, we deliver **Genuine & OEM components** for all major engine types - ensuring your fleet runs smoothly, efficiently, and cost-effectively.

From **cylinder heads to crankshafts**, we provide a comprehensive range of spare parts tailored to your specific needs.

Engine Brands We Support

STX MAN B&W

Wärtsilä

Yanmar

Daihatsu

Hyundai Himsen

Volvo Penta

Cummins

Caterpillar (CAT)

Why Elektromec?

01

Trusted Partnerships

Strong alliances with global engine makers & OEMs

02

Competitive Pricing

Cost benefits passed directly to our clients

03

Quality Assured

Genuine and certified spare parts, every time

04

Customer First

Transparent, reliable, and tailored supply solutions

**With Elektromec, you gain more than spares,
You gain a partner who keeps your engines running strong.**

Scope of Services

Refrigeration Compressors

Spares for Sabroe | York | Bitzer | Bock

Efficient cooling is critical to vessel performance and cargo integrity.

At Elektromec, we supply Genuine & OEM spares for the world's leading refrigeration compressor brands—ensuring reliable performance, long service life, and reduced downtime.

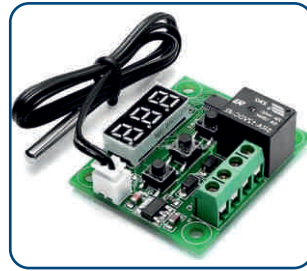

Product Range We Supply

Compressors

Expansion Valves & Solenoid Valves

Control Units & Electronic Modules

Overhaul & Service Kits

Safety Valves & Pressure Regulation Components

Oil Separators & Pressure Switches

Chiller System Parts & Heat Exchangers

Applications

Cargo Cooling Systems | Marine Air Conditioning Units
Provision Stores & Reefer Containers

Why Elektromec?

Comprehensive Coverage

Spares for all major compressor brands.

Certified Quality

Genuine and OEM-approved components.

Rapid Response

Extensive stock with immediate dispatch.

Trusted Reliability

Keeping marine refrigeration systems efficient & safe.

From compressors to complete cooling solutions, Elektromec keeps your fleet moving and your cargo protected.

Auxiliary Machineries

Pumps | Separators | Heat Exchangers | Filters | Air Compressors | Motors

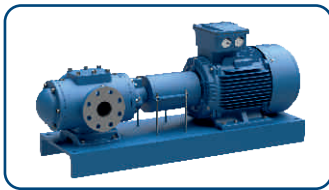

Auxiliary machineries form the backbone of vessel operations.

At Elektromec, we support both **OEM and high-quality European equivalents**, ensuring your vessels run reliably with **cost-effective and readily available spares**.

With **global stock hubs in the UAE, Singapore, Greece, and the Netherlands**, we minimize downtime and deliver rapid supply wherever your fleet operates.

Product Range & Brands Supported

Pumps

IMO | Allweiler | KRAL
Desmi | Leistritz | Naniwa
Taiko Kikai | Shinko |
Shin Shin

Air Compressors

Sperre | Hatlapa
Hamworthy | Tanabe
Atlas Copco | Yanmar | Elgi

Heat Exchangers

Alfa Laval
Kelvion

Purifiers / Separators

Alfa Laval | Mitsubishi
Samgong | Westfalia

Water Makers

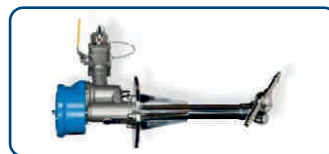

JOWA

Filters

Boll & Kirch

Tank Cleaning Systems

Toftejorg | Scanjet

Hydroblasters

Scanjet | Denjet

Motors

ABB | WEG | Hoyer
(Equivalent motors available
from major global stock hubs)

Why Elektromec?

Complete Auxiliary Solutions

Covering pumps, purifiers,
compressors & more.

OEM & Approved Equivalents

Balancing quality with cost
efficiency.

Strategic Global Hubs

Stock ready in UAE, Singapore,
Greece & Netherlands.

Fast & Reliable Supply

Reducing downtime, maximizing
performance.

From pumps to purifiers—Elektromec delivers auxiliary machinery spares that keep vessels running at peak efficiency.
